

Iced Banana Cream Latte

Ready in **10 minutes**

Yield : **1 cup**

Ingredients

- 1 cup milk
- 2 tbsp instant banana pudding mix
- 1/2 cup brewed coffee, cooled
- Ice cubes

Preparation

1. In a bowl or stand mixer, combine instant banana pudding mix and milk.
2. Whisk until smooth and slightly thickened.
3. Let sit for 2-3 minutes so it can thicken a little more.
4. Stir in your cooled brewed coffee and mix well.
5. Fill a glass with ice, then pour the banana coffee mixture over the top.
6. Stir before drinking and enjoy that creamy banana flavor! Feel free to add vanilla wafers and whipped cream on top.

Notes

Less caffeine: Feel free to swap for decaf instant coffee.

Extra creamy: Use heavy whipping cream instead of milk. It's amazing!

Stronger coffee flavor: Use espresso or cold brew instead of regular coffee.

Vegan option: Use almond or oat milk and a plant-based pudding mix.
